Dr. Marcos Algara-Siller
Director of the Environmental Agenda UASLP
Present

Dr. Algara-Siller,

First of all, I send you greetings and I write to you to inform you about the data you have requested from my office regarding the compilation of the criteria for the GreenMetric international ranking, this document serves as proof.

We report the following criteria:

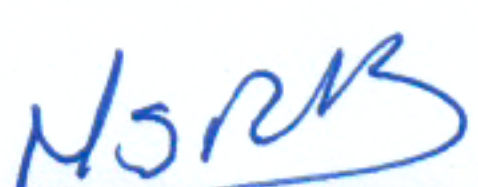

1. **The number of patients** attended in our University Health Center was **7488 in 2020**. Here we offer general medicine, dental, psychology, psychiatry, ophthalmology, nutrition and physical therapy services.
2. We offered **preventive health services** to **12,837 people in 2020** through media campaigns, conferences, vaccination campaigns and workshops.

I hope this information will be useful in positioning the sustainability efforts of our Autonomous University of San Luis Potosí.

I thank the counsel and availability showed in this matter.

Without further ado I thank your kind attention,

Yours sincerely,

M.S. María del Socorro Ruiz-Rodríguez
